## SKILLS

### Soft skills

- Good communication skills
- Critical thinking skills
- Time management
- Two years of experience as a tutor
- Teamwork

### Technical skills

- Core java
- SQL
- Advanced java

## PROJECTS

### ATTENDANCE SYSTEM USING QR-CODE

- The "Attendance System using QR Code", propose the development and implementation of a QR code-based attendance system leveraging java programming language and SQL database management
- Our system aims to provide an efficient and reliable method for recording attendance by generating unique QR codes for each student or participant.
- These QR codes will be scanned using a mobile device equipped with a camera, and the attendance data will be instantly recorded and stored in a centralized SQL database.

## ACHIEVEMENTS

- First rank holder in Fybsc Computer Science
- First rank holder in SyBsc Computer Science
- Second rank holder in TyBsc Computer Science

## CERTIFICATIONS

- The ultimate SQL bootcamp certification Udemy
- Java training complete course for Java beginners
